Skin care secrets shared

A LUXURY body pack makes the ideal Mother's Day gift, says Qetesh owner Diana Forrest.

"The divine Cleopatra was renowned for using Egyptian loofah in her daily skin care regime," she said.

"This 100 per cent natural product will invigorate and relax the senses, leaving the skin velvety smooth.

"Also available are the fragrant Ahava revitalising products, rich in life-enhancing minerals from the Dead Sea."

Products are available only from www.qetesh.com.au or call 1300 738 970. Free Australia-wide delivery is available.
