

ENGLISH GENTRY

Penhaligon's oozes classic cool, refined elegance and a dab of long-loved tradition. 130 years ago, Penhaligon's London was founded by William Penhaligon who went on to become the barber and perfumer to the Royal Court. As his business grew, he earned a handful of Royal warrants and a clientele that boasted the world's aristocrats. His first fragrance, Hammam Bouquet, was created in 1872 and still remains a cult classic to this day. The Penhaligon's range includes a slew of distinctive scents, luxurious toiletries, men's grooming products, and gorgeous leather goods. The classic packaging is masculine and sophisticated. Blenheim Bouquet is a range created with a scent of subtle citrus, woody musk and pine. The Shave Cream contains ingredients to soften facial hair and ensure a smooth shave while the After Shave Balm has a gentle cleansing effect and contains witch hazel extract which helps heal light abrasions. The travel kit contains miniatures of soap, bath and shower gel, conditioning shampoo, deodorant and two eau de toilette 5ml bottles. The Candle creates a calming and fragrant ambience with top notes of citrus and lavender, middle notes of aromatic spices and pine and base notes of woody musk. Contact: 1300 553 440.

ONLY CAVIAR WILL DO

An active lifestyle, daily skin aggression from shaving, environmental conditions, photo-damage and free radicals quickly take their toll on men's skin. Pevonia Botanica's Spa Care For Him range is scientifically developed to address the distinct differences of men's skin. Precisely formulated, the range is effective in densitising the skin, soothing irritability, preventing folliculitis, smoothing wrinkles and rehydrating the skin. The range includes an Aqua-Gel Foaming Cleanser, Easy-Glide Shaving Emulsion, Soothing After Shaving Balm, Fitness-Glow Hydrating Self-Tan and an Age-Defying Caviar Balm. This cutting-edge, light-textured formula is rich in Caviar, Marine Collagen, Marine Elastin, Alpha Lipoic Acid and Vitamin C. These potent anti-aging ingredients are specifically blended to smooth wrinkles, improve elasticity and repair free radical damage. The non-greasy balm is easy to apply and is completely absorbed into the skin, providing a powerful anti-aging defense. Contact: 1800 069 116.

for the boys

BEAUTY PRODUCTS FOR THE MODERN MALE

POWER PACK FOR SKIN

Natralox is a power-plus complex of amino acids, which helps relax lines and wrinkling. Plant based hyaluronic acid works as an intense hydrator and regenerator that also protects against free radical damage. Vitamin A smoothes while vitamin C fights lines and wrinkles while evening out tone and texture. Natralox from Skin Elements also contains green tea, jojoba oils, lemon, sunflower, clove and ylang, ylang together with shea butter, coriander oil and vitamin E to promote skin elasticity while maintaining moisture levels and regenerating cells. Natralox is easily absorbed into the skin and is non-greasy. Contact: 1300 663 780.

SMOOTH MOVES

Smooth AZ from Morpheus is a rich lathering formula made from natural oils blended with humectant glycerin to provide advanced moisture penetration. Allantoin smoothes irritated skin, making it ideal for a post shave treatment and to calm razor burn. Menthol and Eucalyptus oil refreshes the skin, tones pores and leaves the skin smelling pleasant. THREE-PHASE GROOMING PROGRAM

Elemis Time for Men home-care grooming range has just hit Australian shores. The stylishly packaged range consists of seven specifically designed treatment products for a 3-phase grooming program – cleanse, shave and protect. Skin is prepared for shaving with the Deep Cleanse Facial Wash and Energising Skin Scrub, cleansing the skin prior to shaving prevents in-grown hairs and gives a smoother shave. For phase two – the shave, there is a choice of shaving mediums, Ice-Cool Foaming Shave Gel, Skin Smooth Shave Gel and Smooth Result Shave Oil to suit every type of skin. The finishing treatments include a Post Shave Recovery Mask to restore vital nutrients lost during shaving and a high performance daily moisturiser S.O.S Survival Cream. The cream contains lavender and myrrh to seal in moisture to provide ultimate hydration, whilst leaving a protective barrier which is slowly absorbed into the skin to comfort and protect. buff that back

Many men suffer from back spots or scaly, greasy skin on their backs, which is often neglected because it is hard to reach. This can be made worse in hot weather, while wearing non-natural fibre tops and if working in dusty environments. Cetesh have a range of loofahs designed to target those hard to reach areas. The Deluxe back loofah, Loofah Body Glove and Oval Body Loofah are all 100 per cent natural loofah products which are chemical free and provide therapeutic benefits to the user. Sloughing off dead skin cells on a regular basis helps regenerate the skin surface, unblock pores and reduce spots, these loofahs will not damage or create micro tears to the skin they have just the right abrasiveness to gently exfoliate the skin.
